

+ Fisheries Structural Adjustment Scheme Guidelines

1. About the Scheme

- 1.1. The purpose of assistance under the Scheme is to support holders of eligible primary commercial fishing licences (PCFL), symbol holders and quota units who are affected by the closure of certain fisheries in the Great Barrier Reef region, or fisheries affected by changes under the *Marine Parks Act 2004* to zoning or management in the Great Sandy region. Eligible applicants can apply for assistance for the following under the Scheme:

Note. There will be further schemes developed to cover additional matters in the future.

A. Primary commercial fishing licences and fishery symbols [Page 5]

The objective of this section is to provide a payment to the following entities affected by the closure of eligible commercial fisheries in the Great Barrier Reef or the Great Sandy region (the *closed fisheries*):

- A holder of a PCFL if one (1) or more fishery symbols held by the entity being removed from their licence (Retired fishery symbols); or
- A holder of a One (1) or more fishery symbols held by the entity being affected by the closures (Affected fishery symbols)

B. Surrender of primary commercial fishing licences and fishery symbols (Round 1 and Round 2) [Page 7]

The objective of this section is to encourage holders of eligible PCFL's who are authorised to take fish in the Great Barrier Reef or Great Sandy region to surrender their PCFL's or particular fishery symbols.

C. Payments for Quota Units [Page 10]

The objective of this section is to provide assistance to holders of quota authorities if the quota authority held by the entity is being retired (Retired quota units). This section is to also encourage holders of eligible quota units that take fish in the Great Sandy region to surrender the quota units (Surrendered quota authorities).

D. Payments for loss of income [Page 12]

The objective of this section is to provide assistance to holders of eligible PCFL's to replace income the holder would have been projected to earn from fishing in the affected fisheries in the financial years starting on 1 July 2024, 1 July 2025 and 1 July 2026.

- D(i) Payments for loss of income in Great Barrier Reef region [Page 12]
- D(ii) Payments for loss of income in Great Sandy region [Page 15]

E. Grant for advice related to Scheme [Page 18]

The objective of this section is to provide assistance to holders of eligible PCFL's to seek legal or financial advice about the Scheme.

- 1.2. The following guidelines provide further information relating to each of the sections listed above.

2. How to Apply

- 2.1. To be considered for assistance under the Scheme, please submit a completed application form, accompanied by the relevant documentation stated on the application form.
- 2.2. Application forms and related information can be accessed at www.qrida.qld.gov.au.
- 2.3. Complete applications are assessed in order of receipt, except for Round Two for the 'surrender of fishery symbols and PCFL's assistance, and QRIDA may request further information to help assess an application.

3. Requirements for Applications

- 3.1. An application for assistance under the Scheme must be given to the authority –
 - (a) for an application for assistance in Round 1 of section B 'Surrender of fishery symbols and PCFL's' before 30 April 2024; or
 - (b) for another application before 30 June 2024.
- 3.2. An application may be made by an applicant on behalf of:
 - (a) if more than one (1) person is a holder of the PCFL or quota unit – with the consent of each other holder of the PCFL or quota unit; or
 - (b) if a public company is the holder of the PCFL or quota unit – with the consent of a director of the public company.
- 3.3. QRIDA may request further information to determine an application.
- 3.4. Penalties apply for providing false and misleading information in accordance with the *Rural and Regional Adjustment Act 1994*.

4. How applications will be assessed and decided

- 4.1. Upon receiving applications, QRIDA will acknowledge receipt by email and advise if any further information is required to commence assessment of the application.
- 4.2. QRIDA will assess applications in order of receipt, except for Round Two for the 'surrender of fishery symbols and PCFL's licences' assistance. Applications received under this Round will be assessed when the Round closes on 30 June 2024.
- 4.3. An applicant can apply under the different section separately if they wish. For example, an applicant may wish to apply for payment for advice about the Scheme, before making any applications under Sections B or C.
- 4.4. Incomplete applications will not be assessed until all required information is received.
- 4.5. QRIDA must refuse an application if the funds for the assistance are not sufficient to pay the application.
- 4.6. Approved assistance will be deposited to your nominated bank account.

5. Applications for retired authorities

- 5.1. Applications can be made after symbols or ITQ units have been retired from a PCFL:
 - (a) Immediately before the 1 January 2024, the applicant held one (1) or more of the following (each a **retired authority**) –
 - i. a PCFL on which a retired fishery symbol was written;
 - ii. a barramundi unit;
 - iii. a grey mackerel unit;
 - iv. a king threadfin unit.

- (b) From 1 January 2024, the scheme applies as if:
- i. if subsection 5.1(a)(i) applies - the retired fishery symbol continued to be written on the PCFL while the applicant continues to hold the PCFL; or
 - ii. if subsection 5.1(a)(ii, iii or iv) applies - the applicant continued to hold the retired quota authority.
- (c) For the scheme, the retired authority is taken to be written on the applicant's PCFL or quota authority certificate.

6. Conflict of Interest

- 6.1. A conflict of interest may arise due to a business dealing with QRIDA, if your private interests conflict with your obligations under the Scheme. Conflicts of interest could affect your eligibility for conditional approval. A conflict of interest can be;
- real (or actual);
 - apparent (or perceived); or
 - potential.
- 6.2. We will ask you to declare, as part of your application, any business dealings that may be considered an actual, perceived or potential conflict of interest or that, to the best of your knowledge, there is no conflict of interest. If you later identify that there is an actual, apparent, or potential conflict of interest or that one might arise in relation to your application, you must inform us in writing immediately.

7. Fraudulent Applications

- 7.1. QRIDA takes fraud and corruption seriously. Suspected fraud will be referred to Queensland Police Services (QPS) and/or the Crime and Corruption Commission (CCC).
- 7.2. Fraud and corruption is a criminal offence under Sections 408C, 408D and 87 of the *Criminal Code 1899 (Qld)*. For corporations, directors and company officials, Section 596 and 184 of the *Australian Corporations Act 2001 (Cth)* will also apply.
- 7.3. Providing false or misleading information or documents in the QRIDA application process is an offence. Penalties may apply under Section 41 and 42 of the *Rural and Regional Adjustment Act 1994*.
- 7.4. By signing the application form, you acknowledge that the information you provide is true and accurate, and agree to be bound by the Scheme's guidelines and provisions.
- 7.5. QRIDA reserves the right to pursue and recover funding provided under fraudulent and dishonest circumstances.

8. Your privacy

- 8.1. QRIDA's Privacy Policy, available at www.qrida.qld.gov.au/privacy, sets out general information on how QRIDA collects, uses and discloses individuals' personal information
- 8.2. The application portal for this Scheme contains specific information on how personal information will be collected, used, and disclosed.

A. Primary commercial fishing licences and fishery symbols

Retired and Affected fishery symbols

1. Purpose of Assistance

- 1.1. The purpose of the assistance that may be given under this section is a payment to holders of PCFL's on which a retired fishery symbol is written or a payment to recognise that holders of PCFL's with a 'K1', 'K2', 'K3', 'K4', 'K5', 'K6', 'K7', 'K8', and 'N10' fishery symbol written on them have lost access to certain commercial fisheries in the Great Barrier Reef region.

2. Eligibility Criteria

- 2.1. To be eligible for payment for *retired fishery symbols*, the applicant must:
- (a) hold a PCFL that has one (1) or more *retired fishery symbols* written on it – 'N1', 'N2', 'N4' or 'S'.
 - (b) not have received assistance for the same *retired fishery symbol* under section B 'Surrender of fishery symbols and PCFL's'.
- 2.2. To be eligible for payment for *affected fishery symbols*, the applicant must:
- (a) hold a PCFL that has one (1) or more *affected fishery symbols* written on it – 'K1', 'K2', 'K3', 'K4', 'K5', 'K6', 'K7', 'K8' and 'N10'; and
 - (b) not have received assistance for the same *affected fishery symbol* under section B 'Surrender of fishery symbols and PCFL's'.

3. Amount of Assistance

- 3.1. The amount of assistance for an applicant who holds a PCFL with the following *retired fishery symbols* is:

Symbol:	Amount
• 'N1'	\$35,000
• 'N2'	\$60,000
• 'N4'	\$150,000
• 'S'	\$7,000

- 3.2. The amount of assistance for an applicant who holds a PCFL with the following *affected fishery symbols* is:

Symbol:	Amount
• 'K1', 'K2', 'K3', 'K4', 'K5', 'K6', 'K7', 'K8'	\$28,000
• 'N10'	\$28,000

4. Conditions of Assistance

- 4.1. The applicant must enter into and comply with a written agreement with the QRIDA that sets out the terms on which the assistance is provided before receiving the assistance.
- 4.2. For *retired fishery symbols* the applicant must not apply to the chief executive of the Department of Agriculture to *move* a fishery symbol the subject of the application.
- 4.3. For *affected fishery symbols* the applicant must not apply to the chief executive of the Department of Agriculture to *move* a fishery symbol the subject of the application before the end of the day on 30 June 2024.
- 4.4. For the *type* of fishery symbol, a fishery symbol is the same type of fishery symbol if it has the same fishery symbol and the same number of tender boats for the fishery symbol.

- 4.5. The applicant must give consent to the chief executive of the Department of Agriculture and Fisheries to give to QRIDA a copy of the applicant's fishing data to the extent the fishing data is relevant to the application.

5. Definitions

Affected fishery symbol means the symbol K1, K2, K3, K4, K5, K6, K7, K8 and N10.

Retired fishery symbol means a fishery symbol 'N1', 'N2', 'N4', or 'S'.

B. Surrender of primary commercial fishing licences and fishery symbols (Round 1 and Round 2)

1. Purpose of Assistance

- 1.1. The purpose of the assistance under this section is a payment to holders of certain PCFL who decide to surrender the licences or surrender certain fishery symbols written on the licences.

2. Eligibility Criteria

- 2.1. To be eligible for assistance in **Round One**, the applicant must:

Surrender for a fishery symbol written on a PCFL, means request the Department of Agriculture and Fisheries chief executive to amend the licence to remove the fishery symbol.

C. Payments for Quota Units

Retired and Surrendered quota authorities

1. Purpose of Assistance

- 1.1. The purpose of the assistance for *retired quota units* that may be given to an applicant under this section is a payment for quota units held by the applicant for barramundi, and king threadfin in all Queensland waters (management region 1-5), and grey mackerel only in the Great Barrier Reef region (management region 1-4). For *surrendered quota authorities*, the assistance that may be given to an applicant is a payment for certain quota authorities to take grey mackerel, school mackerel and whiting in management region five (5).

2. Eligibility Criteria

- 2.1. To be eligible for a *retired quota units* payment, the applicant must hold one (1) or more *barramundi units, king threadfin units, or grey mackerel units* (in management region 1-4).
- 2.2. To be eligible for a *surrendered quota units* payment, the applicant must:
- (a) hold a quota authority certificate that states the applicant holds one (1) or more of the following:
 - i. a 'GM5-ITQ' unit;
 - ii. a 'SCM5-ITQ' unit;
 - iii. a 'WT5-ITQ' unit; and
 - (b) surrender one or more units mentioned in 2.2(a).

3. Amount of Assistance

- 3.1. The amount of assistance is as follows:

Quota Authority	Quota Authority Certificate	Payment
Retired Quota Units		
• Barramundi	• BM1-ITQ, BM2-ITQ, BM3-ITQ, BM4-ITQ, BM5-ITQ	\$17 per unit
• Grey mackerel	• GM1-ITQ, GM2-ITQ, GM3-ITQ, GM4-ITQ	\$25 per unit
• King threadfin	• KT1-ITQ, KT2-ITQ, KT3-ITQ, KT4-ITQ, KT5-ITQ	\$20 per unit
Surrendered Quota Units		
• Grey mackerel	• GM5-ITQ	\$25 per unit
• School mackerel	• SCM5-ITQ	\$20 per unit
• Whiting	• WT5-ITQ	\$20 per unit

4. Conditions of Assistance

- 4.1. The applicant must enter into and comply with a written agreement with the QRIDA that sets out the terms on which the assistance is provided before receiving the assistance.
- 4.2. For *retired quota units*, the applicant must not sell, lease or transfer a quota unit the subject of the application.
- 4.3. For *surrendered quota units*, the applicant must not sell, lease or transfer a quota unit the subject of the application before the end of the day on 30 June 2024.
- 4.4. The applicant must give consent to the chief executive of the Department of Agriculture and Fisheries to give to QRIDA a copy of the applicant's fishing data to the extent the fishing data is relevant to the application.
- 4.5. The applicant must give consent for QRIDA to give notice to the chief executive of the Department of Agriculture and Fisheries of the offer of assistance made and given under this assistance and the fishery symbol or PCFL surrendered under this section.

5. Definitions

Barramundi units means the quota units that are, immediately before 1 January 2024, BM1-ITQ units, BM2-ITQ units, BM3-ITQ units, BM4-ITQ units or BM5-ITQ units.

Grey mackerel units means the quota units that are, immediately before 1 January 2024, GM1-ITQ, GM2-ITQ units, GM3-ITQ units or GM4-ITQ units.

GM5-ITQ units means quota units that are GM5-ITQ units.

King threadfin units means the quota units that are immediately before 1 January 2024, KT1-ITQ units, KT2-ITQ units, KT3-ITQ units, KT4-ITQ units or KT5-ITQ units.

Management region 5 means the east coast inshore management region 5 under the *Fisheries (Commercial Fisheries) Regulation 2019*.

SCM5-ITQ unit means quota units that are SCM5-ITQ units.

WT5-ITQ unit means quota units that are WT5-ITQ units.

D(i) Payments for loss of income

Great Barrier Reef Region

1. Purpose of Assistance

- 1.1. The purpose of the assistance that may be given to an applicant under this section is a payment of an amount worked out based on the applicant's fishing history in the Great Barrier Reef region and the projected price of fish the in the 2024, 2025 and 2026 financial years.

2. Eligibility Criteria

- 2.1. To be eligible for this assistance, the applicant must:

- (a) for all or part of the period starting 1 September 2021 and ending on 30 June 2023, have held a *PCFL* that had one or more of the following symbols written on it – 'N1', 'N2', 'N4', 'N10' or 'K'; and
 - i. have a catch history under a fishery symbol to be retired in the Great Barrier Reef region during the same period; or
- (b) for all or part of the period starting 1 September 2021 and ending on 30 June 2023, have held a *PCFL* that had the fishery symbol 'N11' written; and
 - i. have a catch history in a commercial fishery in *management region 1* during the same period; or
- (c) have leased a *PCFL* that had one or more of the fishery symbol written for all or part of the period starting 1 September 2021 and ending on 30 June 2023 t – 'N1', 'N2', 'N4', 'N10', or 'K'; and
 - i. provide evidence of the lease; and
 - ii. have a catch history in a commercial fishery in the Great Barrier Reef region during the same period; or
- (d) have leased a *PCFL* that had 'N11' fishery symbol written for all or part of the period starting 1 September 2021 and ending on 30 June 2023; and
 - i. provide evidence of the lease; and
 - ii. have a catch history in a commercial fishery in *management region 1* during the same period.

- 2.2. An applicant is also eligible for this assistance if the applicant,

- (a) is eligible under 2.1(a) or (b); and
- (b) has fishing data that shows that the applicant did not catch any fish in at least 6 months (the *no fish period*) during the period starting on 1 September 2021 and ending on 30 June 2023; and
- (c) can demonstrate, to the satisfaction of QRIDA, that a special circumstance occurred to the applicant during the no fish period (e.g. medical certificate).

- 2.3. For 2.2 (c), special circumstances include:

- (a) illness of the applicant or one or more of the applicant's dependents;
- (b) natural disaster;
- (c) another circumstance that prevented the applicant from fishing during part of the period starting on 1 September 2021 and ending on 30 June 2023.

2.4. For 2.2 (c), special circumstances do not include:

- (a) refitting a boat; or
- (b) fishing in another industry; or
- (c) working in another industry.

3. Amount of Assistance

3.1. For applicant’s eligible under 2.1(a), the payment amount is calculated to two (2) decimal places using the following formula:

$$\left(\frac{R + S}{2}\right) \times M = A$$

Where:

A means the amount

M means the *price multiplier* of the fish

R means the relevant period catch

S means the substitute period catch

3.2. For applicants eligible for special circumstances under 2.1 (b), the payment amount is calculated to two (2) decimal places by using the following formula:

$$\left(\frac{R + S + C}{2}\right) \times M = A$$

Where:

A means the amount

C means the applicant’s special circumstances catch (expressed in kilograms).

M means the *price multiplier* of the fish

R means the relevant period catch

S means the substitute period catch

3.3. The result from the formula is used to determine the amount of assistance, using the below table:

Formula amount	Amount of Assistance
1,000 or less	\$1,000
Between 1,000 and 4,999 (inclusive)	\$5,000
Between 5,000 and 10,000 (inclusive)	\$10,000
More than \$10,000	The result from the formula expressed in dollars.

4. Conditions of Assistance

- 4.1. The applicant must enter into and comply with a written agreement with the QRIDA that sets out the terms on which the assistance is provided before receiving the assistance.
- 4.2. The applicant must not apply to the chief executive of the Department of Agriculture to *move* a fishery symbol the subject of the application before the end of day on 30 June 2024.
- 4.3. The applicant must give consent to the chief executive of the Department of Agriculture and Fisheries to give to QRIDA a copy of the applicant’s fishing data to the extent the fishing data is relevant to the application.

5. Definitions

Management region 1 means the east coast inshore management region 1 under the *Fisheries (Commercial Fisheries) Regulation 2019*.

No fish period means the applicant's fishing data shows that the applicant did not catch any fish in at least 6 consecutive months during the relevant period.

Relevant period catch, for an applicant, means the total weight (expressed in kilograms) of fish taken during the period starting on 1 September 2021 and ending on 30 June 2023, that is either:

- from a commercial fishery in the Great Barrier Reef region under the fishery symbol 'N1', 'N2', 'N4', 'N10', 'K1', 'K2', 'K3', 'K4', 'K5', 'K6', 'K7' or 'K8' written on the applicant's PCFL; or
- from a commercial fishery in the east coast inshore management region 1 under the fishery symbol 'N11' written on the applicant's PCFL.

Substituted period catch, for an applicant, means the total weight (expressed in kilograms) of fish taken during the period starting on 1 July 2022 and ending on 31 August 2022 that is from:

- a commercial fishery in the Great Barrier Reef region under the fishery symbol 'N1', 'N2', 'N4', 'N10', 'K1', 'K2', 'K3', 'K4', 'K5', 'K6', 'K7' or 'K8'; or
- a commercial fishery in the east coast inshore management region 1 under the fishery symbol 'N11' written on the applicant's PCFL.

Special circumstances catch, for an applicant is worked out using the following formula –

$$\frac{(R + S)}{M} \times N = C$$

Where –

C means the applicant's special circumstances catch (expressed in kilograms).

N means the number of months in the applicant's fish period.

M means the number of months during the period starting on 1 September 2021 and ending on 30 June 2023 in which the applicant caught fish on at least 1 day in the month under the applicant's primary commercial fishing licence.

3. Amount of Assistance

- 3.1. For applicant's eligible under 2.1(a), the payment amount is calculated to two (2) decimal places using the following formula:

$$\left(\frac{R + S}{2}\right) \times M = A$$

Where:

A means the amount

M means the *price multiplier* of the fish

R means the relevant period catch

S means the substitute period catch

- 3.2. For applicants eligible for special circumstances under 2.1 (b), the payment amount is calculated to two (2) decimal places by using the following formula:

$$\left(\frac{R + S + C}{2}\right) \times M = A$$

A means the amount

C means the applicant's special circumstances catch (expressed in kilograms).

M means the *price multiplier* of the fish

R means the relevant period catch

S means the substitute period catch

- 3.3. The result from the formula is used to determine the amount of assistance, using the below table:

Formula amount	Amount of Assistance
1,000 or less	\$1,000
Between 1,000 and 4,999 (inclusive)	\$5,000
Between 5,000 and 10,000 (inclusive)	\$10,000
